BEST **FIT & FINISH**

**TRU
FENCING**

ABOUT US

At "Tru Fencing" we supply high-quality, reliable products on time". Tru Fencing team is committed to Quality Policy Statement These are not just words but our way of life at "Tru Fencing"

As we are oriented to our quality and timelines the aim to delight our customers by going beyond to solve problems, offering fast and friendly service and supplying the very best quality products in the industry.

We offer a complete line of high quality fence systems in both traditional and unique styles.

Our full line of products include chain link fence fittings and hardware for access controls, agricultural, ornamental, and chain link fences and gate hardware for farm and ranch, residential, commercial, industrial, and high security applications.

Tru fencing is newly established fittings supplier and manufacturer based upon principles of honesty and integrity.

Our modern CNC based production set up and our engineering capabilities and background is the forte to manufacture and produce best fit and finish at most competitive pricing.

MISSION STATEMENT

We aim to deliver sustainable value to our associate collaborator by fulfilling our commitment to our clients and also strengthening/ forging newer ties. We endeavour to maintain and enhance consistent performance, work culture and standards.

We strongly believe in maximizing the value of human capital and aligning it with company initiatives as a fundamental element of our business objectives.

CORE VALUES

- Compliance to Safety
- Conformance to Quality
- Adherence to Schedule
- Consistent Client Satisfaction
